

Dear CAPASUS members,

Thank you for those who made it to the 40th annual conference! I would like to congratulate President Ho's success, and thanks to all of the officers and volunteers last year who made the conference such a success.

As a junior member to the organization, I must confess that I am quite nervous about leading the organization after such a wonderful celebration for our 40th anniversary. I will do my best and hope you all will continue to support CAPASUS and return to our conference next year.

I have put together our staff list for 2016-2017 term except we are still looking for a state representative for Tennessee/Kentucky (any volunteer?). Please see attachment. Once we have the first staff meeting, I will update you on our goals for the new year.

Meanwhile, I will forward some information regarding activities from other organizations in separate emails.

If you have any concerns/suggestions, please feel free to contact me.

Thank you!

Best,

Hsi-Ling Huang, Ph.D. (黃喜玲)
President, CAPASUS, 2016-2017
